Bay Creek and French Broad Crossing Honored by National Publication

(ALPHARETTA, Ga.) – Preserve Communities - a leader in thoughtful real estate development – is pleased to accept significant accolades from national resort and lifestyle publication ideal-LIVING Magazine for Bay Creek and French Broad Crossing in its recent ‘Best of the Best’ issue. “‘The Best of the Best’ feature honors those areas and communities that deserve special recognition for their outstanding qualities, facilities and programs,” states Editor and Associate Publisher of ideal-LIVING, Kelly Godbey.

Selected as ‘Best Mountain Community,’ French Broad Crossing is an adventure-centric, conservation minded community with engaging homeowner programming. “Our property is set among the beautiful backdrop of the Blue Ridge Mountains, offering many opportunities for outdoor exploration and enjoyment. And the programming we have in place has been thoughtfully developed to include something for everyone, incorporating social interaction, mindfulness and learning, and wellness,” remarks Preserve Communities CEO and Founder Jack Fisher.

Bay Creek has long been considered the best coastal destination in Virginia by our residents. And now, Preserve Communities is excited and humbled to announce that for the 2nd consecutive year, Bay Creek has been recognized once again as ‘Best Coastal Community in Virginia.’ Additionally, Bay Creek was voted ‘Top 100 Amenity Community.’

At Bay Creek, on Virginia’s stunningly beautiful Eastern Shore, our coastal community is defined by a deep appreciation of family, nature and authentic experiences. Distinctive homes are set among hundreds of acres of lush nature preserves, waterways and interconnected trails. Life here is marked by a rich collection of coastal pleasures and memorable activities, and every day offers new experiences that create lifelong memories.

Preserve Communities is also thrilled to announce that Bay Creek is honored with the distinction of ‘Best Golf Course’ in *Virginia Living’s* 2020 ‘Best of Virginia Awards’. Our 27-holes of award-winning golf designed by two of the greatest that ever played the game, Arnold Palmer and Jack Nicklaus, elevate Bay Creek’s golf experience to an artform. With several holes along the Chesapeake Bay, the views are as satisfying as the game.
